*Got H.E.R.S? Get More*

**“Dr. Boz is engaging and knowledgeable. She practices consent and creates brave spaces for people to go deeper when necessary and practice self-care when they feel pushed. She is passionate about courageous conversations and skilled at allowing things to happen in real time as well as bringing people to reflection & resolve.”**

**-Charmagne Glass-Tripp**

*Director of Programming for Trudi Lebron Coaching & The Institute for Equity-Centered Coaching*

### Topics include:

**Selfcare, Confidence, Trauma Informed Practice, Holistic Goal Success, Purpose, Behavior Management in the Classroom, Self-esteem, Breast Cancer Awareness, Spirituality, Time Management.**
